National Professional for Senior Leadership (NPQSL) is the nationally recognised, professional qualification for Senior Leaders. Validated by the DFE and EEF, our evidence-based, rigorous NPQSL gives all aspiring or new Senior Leaders the firm foundation you'll need to take your career to the next step.

What makes our NPQSL special?

- We use small group coaching, to help you apply your learning to the real world
- We have great partnerships with local delivery partners, who'll support your group to build local networks
- We lead in an ethical way with values at the heart of all we do.

What will make my NPQSL Small more accessible?

Our NPQSL has only two full days out of school in the 18 month programme (one at the beginning and one at the end).

The rest of the sessions are online and you will have the choice of attending most of them from 1:30 - 3:00pm or from 4:00 - 5:30pm).

You'll also have a number of coaching sessions across the course
