8	<p>Matters arising from previous minutes</p> <ul style="list-style-type: none"> ● Arrange a visit to the SEN Hub at St Helens. ● Wrap around care on Friday's at Clawton - MS putting out to parents to see what the uptake on Friday for the preschool would be and we have had a grant to fund wrap around care up to 6pm from the government and there is a lot of background work to do we will start after October half term. Grant is Reception to Year 6. ● Clinton for Nursery - SD Currently we offer a morning club which is run by staff and a after school club. I looked at the funding and it needs to have enough children and employ a member of staff to run it. Will catch up with MS to see how she is running hers. Some of the conditions are hard to meet. ● KR would like to do a SEN review. SD/MS will put a date in the diary. ● LH - Would like to see the PP/PE policies - RS Confirming the PP and PE have been written as Trust wide documents now and these will be going to the ELS for approval and when they are approved the Heads can send them to you. <p>Report from JR:</p> <ul style="list-style-type: none"> ● Outcome of the board discussions sent out to everyone. ● Board had read the feedback and have agreed this will be implemented in January. ● Deliver a training programme. ● Feedback was 4 schools included would potentially be unmanageable, St Helens is with the North Devon Cluster.

	<p>RS - Overview of PP/PE policies</p> <p>PP - SIO will be supporting our vulnerable and pupil premium. Looking at how we teach, 50% is good quality teaching and learning and 25% is intervention and 25% is other. Look at the 50% and schools need to look at pupil premium and what we can make the biggest gains in the classrooms.</p> <p>PE - Strategies and enabling staff, PE curriculum, Access to competitive sports and festivals, bringing PE to the forefront of everyday life, Swimming. All bridge together 2 PE leaders across the trust and they have a curriculum for staff to tap into. Organised sports events Trust wide and their work around it is ongoing.</p> <p>MS/SD questions:</p> <ul style="list-style-type: none"> • Is there any funds available for swimming? • Is there any funds available for transporting children to the sports events that are happening around the trust? • Any money to buy into secondary sports events? <p>RS - Waiting for confirmation from the CFOO, where the money is and how we access this.</p>
9	<p>Planning for 2024/25</p> <p>Receive and approve SEND Information Report for 2024/25</p> <p>SEND Info Report Dolton and Clinton</p> <p>SEND Info report Clawton</p> <p>MS - Gave a brief overview.</p> <ul style="list-style-type: none"> • Reports are similar close working between the schools. • Follows the SEN strategy. • Focus on 1 EHCP in the pipeline, advised to chase it. • Handover with Carla. • SEN register currently stands at 11. Monitoring children we are keeping an eye on as well. • My Plans are reviewed every term and parents are coming in. • Employed a SEN TA and they work 16 hours a week, working with focus children. • I have been focused on My Plans and going into class as a Head and SENCo and the regular drop ins work together well. Meetings with parents in the next few weeks. <p>MW - Wearing both hats of Head and SENCo if there was a conflict then where would you go?</p> <p>SD - It would be RS.</p> <p>SD - Gave a brief overview.</p> <ul style="list-style-type: none"> • Our SEN register, Dolton is 11% and the National is 12%, we have 2 EHCP's in place and so funding for those 2 children has enabled us to employ a SEN TA for 25 hours to meet the targets of both children and then we have got a child in nursery who is under the teacher of the deck. • Huge benefit of having a nursery on site can catch needs early.

- Focus on top of the children's needs being met but the SEN TA is giving additional focus on the children while having their needs met above what teachers are doing to support the children
- Clinton has 28% SEN children which is double National and 1 ECHP in place and that means that we have 10 hours SEN TA and she does 2 hours a day to work with the child.
- 3 ECHP in progress and lots of paperwork for getting things in place. Managed to secure play therapy through the Special Guardianship Order that is funded.

MW - Asked SD how it is all working?

SD - It has been really busy and I am using colour coding to help switch between all of my roles. It is a lot with 2 schools.

MW - Could this be taken to the board so they are aware that it may not be sustainable?

A discussion was had around school finances and how much we get for each pupil, how many teachers, support and costs. This is something that is at the forefront of our minds and can be taken to the board, but not sure how much we can do.

RS - Could we think about anything we can tap into to support the school with the transport?

A discussion was then had about raising funds for help with transport to encourage additional children to the school and other things to support the school. Talking about a bus service from Torrington to Clinton there is not one at the moment.

A discussion was also held around bringing pupils' numbers up and working on marketing also about the new housing.
